**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose Cruzio Internet because AT&T UVerse is overburdened in our area. This is a small, poor community and they are not interested in upgrading service. Cruzio has provided faster service to us than AT&T. However, because of restrictions, this is the only option to us. We are not able to access cable companies with Internet and AT&T will not upgrade us here.

We are a small non-profit business that is interested in keeping our expenses down. We would like the option of using the Internet and Phone providers of our choice - not those regulated to us.
